

September's Mission Foundation

9/11 Campaign

As the 5th Anniversary approaches, September's Mission Foundation would like to extend heartfelt thoughts and wishes to all those affected by the September 11th tragedy. In recognition of the upcoming anniversary, we are honored to announce the Annual 9/11 Campaign remembrance poster in support of the 9/11 Campaign. Launched by September's Mission, the 9/11 Campaign is a grassroots fundraising effort by victim's families dedicated to the future memorial at the World Trade Center site that will honor and remember those lost in the terrorist attacks on February 26, 1993 and September 11, 2001. With this announcement, we invite you to participate in this project and get listed on this tribute poster as a contributor in memory of your loved ones.

The 2006 9/11 Campaign remembrance poster design is a collaborative effort between September's Mission and artist Keith Piaseczny of ArtAID, resulting in a uniquely interactive memorial artwork integrating the names of contributors along with personalized offerings to loved ones, thus becoming one installment in a growing series of original artworks. This year's design offers an additional opportunity to incorporate a photographic image of your loved one. Scanned images may be submitted via email (300dpi or "print quality") or prints sent via US mail. All photographs submitted should have the name and address of the person submitting the image so that it can be returned post production (if requested). *A signed photo release must also accompany the photo and donation form.*

The 9/11 Campaign is administered by September's Mission Foundation on behalf of the victims' families through a commitment to the future memorial at the World Trade Center site. All proceeds donated to the 9/11 Campaign are placed directly into an endowment fund; the sole purpose of which is to support educational and cultural programming at the future memorial, so that the memories of our loved ones will be preserved with honor, respect and integrity that the September 11th community of friends and family members deserve and demand. *We would like to encourage everyone to consider making a remembrance donation of \$59.11 in honor of the 5th Anniversary.* For your generous donation, September's Mission will provide a personal copy of the printed 9/11 Campaign poster with your name, memorial message & remembrance photo incorporated into the design. \$9.11 of every donation made will go directly into the 9/11 Campaign fund. Additional funds will go to support advocacy efforts & resource programs for September's Mission Foundation and production costs of this commemorative artwork.
